Curtin Ignition 2019 - Fully Funded Scholarships

Background and Eligibility

The City of Vincent recognises the vital role local businesses play in our community – providing local employment opportunities, servicing our growing residential population, building our economy and creating strong and vibrant Centre's.

Providing opportunities for existing and new start-up business owners to develop their skills, networks and ideas while learning from business experts is critical for the ongoing growth and success of our region.

The City of Vincent supports Curtin Ignition through funding for one (1) scholarship place for a City of Vincent resident, who owns an existing local business or is a new start-up with an innovative business idea. The scholarship aims to foster ongoing innovative, entrepreneurial activity within the City.

Ignition is an intensive 5½-day education program for aspiring entrepreneurs, academics and corporate innovators to trial and prepare their business ideas for the commercial environment.

Ignition is open to anyone with a business idea, research project or early stage business venture that could become a high growth business. Applications from new and aspiring entrepreneurs with limited experience of starting a business, are encouraged to apply. Passion and ambition to take ideas forward and 'make it happen' are highly important attributes for success at Ignition.

Applicants must be prepared to commit one full week of their time to an intensive and results-focused program. Fluency in spoken and written English is essential.

City of Vincent Scholarship Applications are judged on their individual merit based on the following eligibility criteria:

- They are a City of Vincent resident, who owns and operates a business in the City of Vincent or who has an innovative business idea and is looking to start a new business in the City of Vincent.
- A willingness to participate in City of Vincent promotional activities and events and specifically to present experiences and key learnings to the City following completion of the program.
- The quality of their business, idea or innovation.
- The likelihood of their business sustainability (market potential and uniqueness of the proposal).
- The preparation and action they have taken to progress their business, idea or innovation.

Award of scholarship places will be made by the City of Vincent and the Curtin Ignition team, their decision will be made based on the written information provided in the application form.

It is a condition of acceptance of your scholarship that you must participate in any surveys assigned by City of Vincent and/or Curtin Ignition.

Apply online at: www.ignition.curtin.edu.au - closing date is 5th July 2019.

Scholarships are limited to one per business, and terms and conditions apply.
